Born electric

Redefining practicality, efficiency, and performance.

Introducing the all-new Farizon SV

The Future of Electric Vans.

The Farizon SV is a game-changing, all-electric large van designed for the future of commercial mobility. Built from the ground up with innovation at its core, the SV offers industry-first technology, exceptional cargo capacity, and outstanding efficiency.

Whether you're a fleet operator or a tradesperson, the SV is a high-performing, sustainable and practical solution designed to meet or exceed the needs of commercial vehicle users.

→ Max. WLTP Range (combined/city)*
247/342 miles

Max. Payload*
1,350 kg

Max Cargo Volume*
13 m³

* Subject to final homologation testing. Subject to model variant

 **Illuminated grille logo**

 **16-inch Wheels**

 **270 degree rear door** (optional)

Comfortable and High-Tech Cabin

Driver-Centric Design

Three-seat layout with a spacious, ergonomic interior. Physical buttons are retained on the dashboard and centre console for key functions to minimise driver distraction.

12.3-inch Floating Touchscreen

Controls for navigation, multimedia playback, online streaming, Bluetooth, Apple CarPlay and ADAS systems.

Digital Instrument Cluster

A customisable full-colour 7-inch display provides key driving data. Multiple combinations of key information can be easily configured by the driver via the steering wheel controls.

Heated Multi-Function Steering Wheel

Access to Intelligent Cruise Control, hands-free calling, and Intelligent Speech Assistant.

V2L Power Supply

Use the van's battery to power tools and equipment directly from the load area using three-pin plugs, or from the charging port using an adapter.

FARIZON

Built for Business

Exceptional Cargo Space

Available in five size configurations (L1 H1 to L3 H3), the SV offers up to 13 m³ of cargo volume and a payload capacity of up to 1,350 kg, the highest in its class.

Extra-Low Loading Height

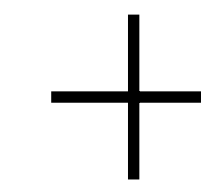

Just 550mm for easier loading and unloading.

Smart Interior Features

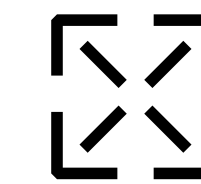

Pre-installed anchor points, easy-access side and rear doors, and a flexible cargo area for custom shelving and storage solutions.

Advanced Payload Monitoring

Displays load weight in real-time to help avoid overloading.

Charge & Range

Designed for Efficiency and Performance

Impressive Range

Choose between a 67 kWh, 83 kWh or 106 kWh battery for an all-electric range of up to 247 miles (WLTP combined). Further boosting range is a lightweight aerodynamically optimised body with an ultra-low drag factor of just 0.29 Cd.

Fast Charging

The SV can be rapid charged from 20% to 80% in just 36 minutes, helping minimise downtime.

High Performance

170 kW (231 PS) of power and 336 Nm of torque ensure smooth and responsive driving, even when fully loaded.

Agile and Comfortable

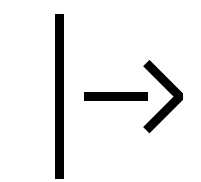

World-first use of an independent dual wishbone front suspension system on an electric van, the SV provides the comfort and handling of a passenger vehicle.

Towing Capacity (Braked)
2,000 kg

Rear doors

- 180° rear door
- 270° rear door *(optional)*

Safety and Security

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution / cornering brake control
- Driver & passenger airbag
- Height adjustable safety belt
- Three-point belt
- Pretensioning force
- Driver & passenger seat belt reminder/alarm
- Tyre Pressure Monitoring System (TPMS)
- Automatic door locking
- Overspeed alarm
- Acoustic Vehicle Alerting System (AVAS)
- Collision power-off system
- Collision door opening system
- Door open reminder

Assist driving configuration

- 4 point front parking radar
- 4 point rear parking radar
- Electronic Parking Brake (EPB)
- Auto hold parking brake

Body colour

- White
- Cyan *(optional)*
- Black *(optional)*
- Blue *(optional)*
- Golden *(optional)*
- Grey *(optional)*

Anti-theft configuration

- Central locking
- Smart key x 2
- Keyless start system
- Four door anti-theft

Interior

- Fixed double passenger seat
- Cup holders x 2
- Cup holder for driver seat
- Glove box
- Non-woven fabric front ceiling
- PVC front floor
- Rear compartment partition fixed (without window)
- Rear cabin ceiling light x 2
- PVC rear compartment floor
- Anchor points
- Multifunction steering wheel
- Heated steering wheel
- Full LCD dashboard
- Clothes hook
- Ventilated & heated driver seat
- 4-way manual adjustable driver seat
- Driver's seat handrail
- Ventilated & heated outer passenger seat

Intelligent driving configuration

- 12.3inch MP5+FM/AM+DAB+WIFI
- Door Open Warning (DOW)
- Rear Cross Traffic Alert (RCTA)
- Lane Change Assist (LCA)
- Lane Departure Warning System (LDWS)
- Intelligent High Beam Control (IHBC)
- Traffic Sign Interpretation (TSI)
- Lane Keep Assist (LKA)
- Autonomous Emergency Braking (AEBS)
- Predictive Collision Warning (PCW)
- Forward Collision Warning (FCW)
- Full Speed Range Adaptive Cruise Control (ACC)
- Intelligent Speed Assist (ISA)
- Urban highway Intelligent Cruise Control (ICC)
- Blind Spot Detection (BSD)
- 360 Around View (AVM360)
- Hill Descent Control (HDC)
- Driver Monitoring System (DMS)

Electronic configuration

- Road rescue E-Call+
- Maintenance reminder
- Bluetooth music
- Easy link
- Apple CarPlay and Android Auto
- 12V power outlet
- Vehicle-to-load (V2L)
- USB point x 2
- Speakers x 2

Lights

- Automatic front LED headlights
- LED daytime running lights
- Front fog lamp
- Rear fog lamp
- LED high brake light

Windows

- Power front windows
- One click lifting
- Exterior mirror integrated side turn signal
- Manual folding and electrically adjustable door mirrors
- Automatic sensing wipers
- Heated windscreen

AC

- Automatic
- Defrosting & defogging vents

Cargo

- Weight monitoring system

Others

- Rear trailer bar, trailer hook & TRM *(optional)*
- Tool bag & front hook
